MOTOROLA TALKABOUT® MD200 TWO-WAY RADIO SERIES

The Motorola Talkabout® MD200 has a range of up to 20 miles* for indoor and outdoor communication. With 22 channels and the standard scan feature, this two-way radio makes it easy to stay in touch while you are out and about.

FUNCTIONAL NEW DESIGN

The Talkabout® MD200 is designed for great looks, as well as solid, functional operations. The location and size of the big buttons make operating this radio a breeze, even when wearing gloves. The sleek rugged housing protects the radio whether it's being used on the playground, in the neighborhood, at the campground or at the mall.

ACCESSORIES

The MD200 series features an accessory connector permitting use of an audio accessory headset for easy hands-free operation.

PRICING

MSRP for MD200R is \$44.99 per pair. (NiMH)

*How far can I expect my radios to communicate? The communication range quoted is calculated under optimum conditions, with an unobstructed line of sight. Actual range will vary depending on terrain and conditions, and is often less than the maximum possible. Your actual range will be limited by several factors including, but not limited to, terrain, weather conditions, electromagnetic interference and obstructions.

**IP-51: Dust protection and protection from dripping water (vertically falling drops).
