

**DON'T MISS AN IMPORTANT ALERT: TORNADO, FLOOD, HURRICANE, WILDFIRE, CIVIL EMERGENCIES**

Rest comfortably knowing you will be alerted to severe weather events or civil emergencies with the SHKR100 Pillow Shaker and the STR180 Strobe Light. Designed for the deaf and hard of hearing, these physical and visual alerts will immediately let you know when your Midland Weather Alert Radio is activated by the National Weather Service.

STR180 Strobe Light

This powerful strobe flashes a bright white light to alert you of severe weather events and civil emergencies. It can also be used in noisy work environments where the extra visual alert is needed.

**SHKR100 Pillow Shaker**

The pillow shaker creates a physical sensation to help wake a heavy sleeper. It easily plugs into your radio and clips onto your pillow, allowing peace of mind for yourself or a loved one.

As dangerous nocturnal weather events and deadly wildfires increase across the country, get the extra protection of the STR180 Strobe Light and SHKR100 Pillow Shaker.

STR180, SHKR100 & SBNDL WEATHER ACCESSORIES

The STR180 Strobe Light and SHKR100 Pillow Shaker come ready to use with batteries and cable for easy connection. Get either the STR180 Strobe Light or the SHKR100 Pillow Shaker separately, or get both in a special bundle pack that includes the Y cable for connection to a single radio.
